Writ Petition filed under Article
226 of the Constitution of India with
an affidavit praying to Direct the respon-
dents to treat the petitioner as permanent
lecturer in physics at Dr.A.V.Balegar Arts

and science college Kumta & etc.,

Writ Petition is coming on for
hearing this day the court made the
following:

HLDJ:

26.05.1998

O R D E R

Petitioner claims that he was working
as a stop gap lecturer on full time basis in
the services of the fifth respondent insti-
tution. He is before this Court for a
direction to the respondent authorities
to regularise his services in the post held
by him and also for payment of pay scale
prescribed for the post.

This court while entertaining the
writ petition had granted an interim order
of stay of termination of the services of
the petitioner. By virtue of the interim

Orders granted by this court petitioner continues to work as lecturer in the fifth respondent college.

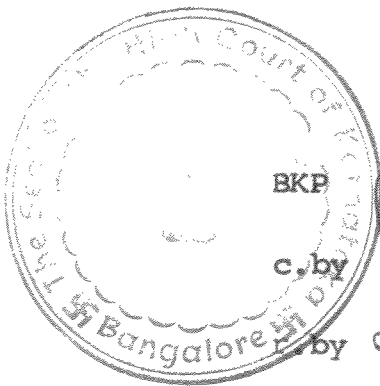

Petitioner has not produced any material before this Court to demonstrate that he had made appropriate representation before the respondent authorities requesting them to regularise his services. In my view, at the first instance petitioner has to approach the respondent authorities requesting them to regularise his services in the post held by him by making appropriate representation. If such a representation is not considered by the respondent authorities within a reasonable time or had been rejected by the respondents then only a cause of action would arise for the petitioner to approach this court for a direction.

In that view of the matter, this writ petition is disposed off reserving liberty to the petitioner to make appropriate representation before the respondent authorities

requesting them the reliefs sought in this writ petition within two months from today. If such a representation is filed by the petitioner within the time granted by this Court, the respondent authorities will consider the same and pass appropriate orders on the same as expeditiously as possible. Interim orders granted by this Court will enure to the benefit of the petitioner till the respondent authorities considers and dispose off the representation that would be filed by the petitioner.

With these observations writ petition is disposed off. Ordered accordingly.
